

Health Education Administration: We're Working for You!

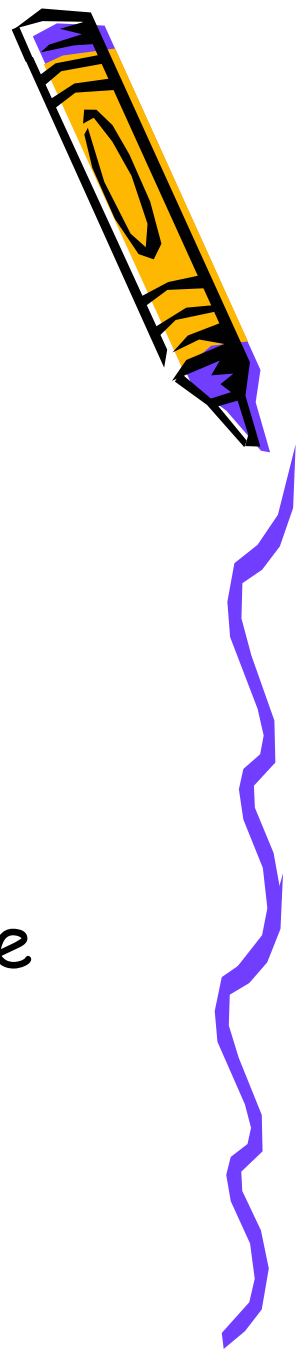

Kimberly Kisler, MPH, CHES

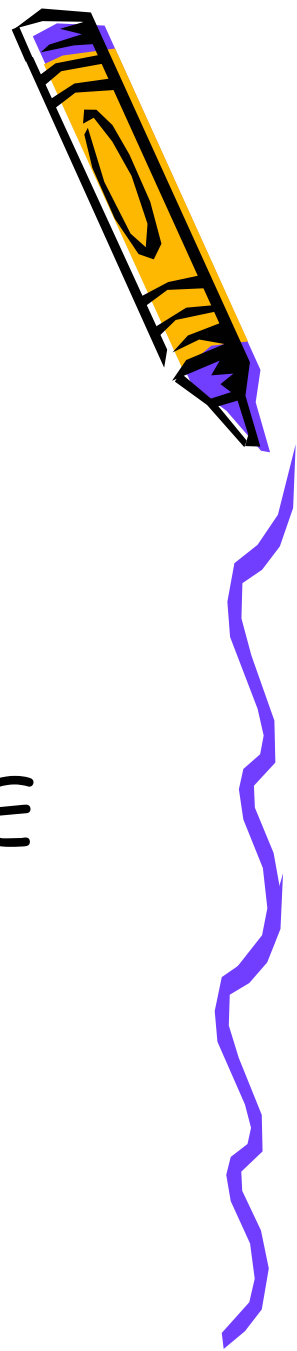

Who is HEA?

HEA's Public Health Measures include:

- Enhance and support HE workforce competency
- Provide technical assistance
- Utilize communication channels to coordinate, standardize and disseminate HE materials and activities

Health Education Materials Inventory

- What's out there?
- Share resources!
- Clearinghouse of information on HE materials

PHN/HE Committee

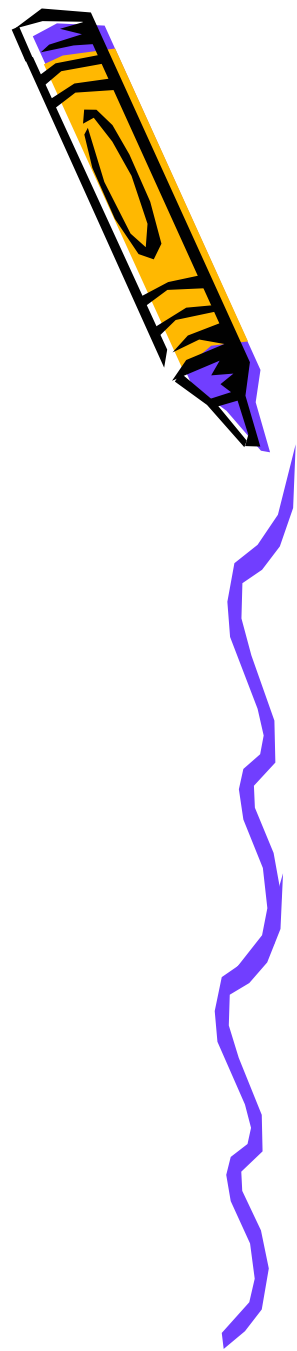

- Re-establish pre-existing committee
- Develop and review 1-page fact sheets on PHN website

HEA Technical Assistance

HEA can assist with:

- Locating HE materials
- Reviewing original or revised HE materials
- Reviewing and editing Spanish translations
- Obtaining best practices
- Additional special projects

Translation of HE Materials

- Training grant from SEIU Local 721
- Training on best practices of written translation
 - 3 trainings, 6 people
 - Bilingual Bonus

Thank You!
